4. Modelling and Coaching- working with teachers	159- £5780
5. Subject Leadership of PE: Progressive Sports	

Impact of Provision
<p>All children in KS1 and KS2 are taught gymnastics, dance and sports by a qualified coach. The quality of provision has improved and children are engaged in lessons.</p> <p>In addition to this Sports Funding has allowed us to enhance the curriculum by providing additional after school provision for dance, multi-skills and football.</p> <p>All children in Years 1-6 have the opportunity to attend a club and 61 % of the children have attended. Children with a particular talent have been identified and coaches with expertise have been able to recognise and develop skills. Behaviour around the school has improved, particularly at lunchtime which has had a positive impact on the school ethos. There is opportunity to promote the Fundamental British Values when teaching and playing sport.</p> <p>Coaches have also worked alongside teachers and teaching assistants to improve their practice. This model of coaching has worked well and teachers are more confident.</p> <p>As a small school it has been a challenge to staff the leadership of PE and having employed a subject leader through Progressive Sports has had a positive impact on resources, planning and provision. There is now an action plan in place to improve sports provision even further.</p>
