1. Modelling and Coaching- working with teachers 2. Extra Curricular Activities <ul style="list-style-type: none"> <li>• Dance</li> <li>• Multi-skills</li> <li>• Football</li> </ul> 3. Additional mid-day supervisor	50+ children per term £2730  20 per half term £1755 20 per half term £1755 20 per half term £1755 £2000

<b>Impact of Provision</b>
<p>.All children in KS1 and KS2 are taught gymnastics, dance and sports by a qualified coach. The quality of provision has improved and children are engaged in lessons.</p> <p>In addition to this Sports Funding has allowed us to enhance the curriculum by providing additional after school provision for dance, multi-skills and football. Additionally a lunch-time club has given mid-day supervisors the opportunity to develop their skills.</p> <p>All children in Years 1-6 have the opportunity to attend a club and an increasing number of pupils attend. Children with a particular talent have been identified and coaches with expertise have been able recognise and develop skills. Behaviour around the school has improved, particularly at lunchtime which has had a positive impact on the school ethos. There is opportunity to promote the Fundamental British Values when teaching and playing sport.</p> <p>Coaches have also worked alongside teachers and teaching assistants to improve their practice. This model of coaching has worked well and teachers are more confident.</p> <p>As a small school it has been a challenge to staff the leadership of PE and having employed a subject leader through Progressive Sports has had a positive impact on resources, planning and provision.</p> <p>There is now an action plan in place to improve sports provision even further. The children have had opportunities to compete against other schools in a football competition.</p>
