12th October 2022

St. Anthony's Catholic Primary School- www.st-anthonys.bromley.sch.

DEAR

Remember to come and read with your child on a Friday morning 8.55-9.20am. This will start for Reception parents on Friday 4th November. Unfortunately if you are late arriving we will not be able to admit you for the session. I am sure you understand.

Parent Consultation Meetings

We will hold parent consultation meetings on Tuesday 22nd November 3.30-6pm. Appointment slips will be sent out on 1st November when we return after the half term break.

Harvest Assembly

Many thanks to everyone who donated an item for us to donate to a local food bank. I know that times are tough at the moment and it was lovely to see the generosity. As I told the children a little from the many can make a big difference in the lives of others.

Sacrament of First Holy Communion- Last chance to sign up for sacramental preparation.

If your child is in Year Three or above and has not made their first holy communion please ask me for an application form from Fr Sunith. This is for children who belong to St Anthony's parish and are in year three or above. If you are unsure please feel free to speak to me about it.

Black History Month

As you will be aware October is Black History Month. At St. Anthony's black history is fully integrated into the topics the children study and is not just something we do in October. This year the children are learning poems by black poets and we hope to have an opportunity to perform these for you. I will give you dates when we return to school in November.

Dates for your Diary

Remember school stops for the half term break on Friday 14th October and in line with Bromley's term dates we have a two week break this year. Monday 31st October is a SELCAT Inset Day for staff. Children will return to school on Tuesday 1st November.

Please note that we were already committed to the Bromley term dates and it is unlikely that we will have the two week half term next year.

Polite Request

The number of children late each morning is impacting negatively on the school community. Please do not think that a few minutes don't matter because they do. It is not fair on your child, on the other children or on my staff. Please make an effort to be in the playground at 8.45am so that your child can line up with their class.

Thought for the Week

Think of all the beauty still around you and be happy.

Anne Frank

If you think you may be entitled to free school meals please check on the Bromley website: www.bromley.gov.uk
