Office Opening Hours

The school office will be open to take payments etc. on Mondays and Thursdays from 8.45am. If you wish to order uniform please either do so online or email the school with your request.

Punctuality

As a new year starts it would be really good if all children were at school on time. It is important to be on time to start the day with everyone else, take part in the morning routine and start learning.

Being on time is also a life skill. If we have an appointment or a meeting it is respectful to be on time. It demonstrates that you care and that the meeting or appointment matters.

Your child's education matters and I know you care so please if you have been regularly late last term make a decision to do better this term.

Arrive at school by 8.45am in order to have a good start to the day.

I would like to wish you and your families a very happy and peaceful new year. Instead of making new year resolutions the children are thinking of ways that they can be more like Jesus. At assembly yesterday many of them shared their thoughts and ideas. A new year is often a time for reflection, looking back at what we have achieved and also at the challenges we faced while thanking God for His guidance and strength. It is also a time to look forward to the New Year with hope and anticipation for what is to come. None of us can walk this journey alone and as a community we will continue to focus on our children and the blessings they bring to our lives.

As I told the children yesterday, we are not perfect and we will all make mistakes along the way but as long as we look to God for strength, forgiveness and guidance He will provide and help us to be better.
