## Headteacher's Message

Dear Parents and Carers,

We hope this newsletter finds you well and enjoying the sunshine!

It has been another productive and positive week, here at St Anthony's with the recent KS1 and KS2 Sport's Day being a highlight within the week. Thank you to all those who came to cheer on the children as they engaged in various activities.

We would like to extend a huge thank you to Coach Ashleigh for his dedication and hard work in preparing the children for our KS1 and KS2 Sports Day. His collaboration with James Dixon Primary School helped ensure the event was a truly memorable experience for all involved.

The day was a fantastic success, filled with enthusiasm, teamwork, and joy. The feedback from parents, staff, and pupils has been overwhelmingly positive, and we're so proud of all the children for their participation and sportsmanship.

We look forward to hosting many more joint events in the future and continuing to build strong connections within our local school community.

Wishing you a restful weekend,

Ms Gayle

## Nursery

This week, our nursery children have been making the most of the sunshine by cooling off in the outdoor learning area. The water trays have been a big hit, offering plenty of splashy fun and sensory play. One of the highlights was the improvised "foot spa," where the children giggled and relaxed as they dipped their toes in the cool water—perfect for a warm summer's day!

## Year 1 Assembly

Year 1 delighted us with their class assembly as they brought the story of The Bog Baby to life through expressive drama and heartfelt narration. The children spoke with confidence and clarity, captivating their audience while sharing an important message about kindness and responsibility. Their performance reminded us all of the importance of caring for God's creation, leaving us both inspired and proud.

## Polite Reminder

We kindly remind all parents and carers to be considerate of our local residents when dropping off or collecting children. Please ensure you do not park in private car parking spaces, as this can cause inconvenience to those who live nearby.
