Headteacher's Message

Dear Parents and Carers,

I hope you and your family had a restful and enjoyable half-term break.

As we begin the final half term of the school year, we are looking forward to a busy and exciting few weeks ahead. It was great fun to see lots of pupils supporting the PTA for the Summer Fair, as they came into school dressed in their pyjamas and donating cakes for the cake sale. A huge thank you! Year 4 have been working hard with memorising the multiplication facts as they are currently completing the national MTC test.

Over the coming weeks, we will be focusing on consolidating learning and enjoying a range of events and activities, including sports day, class trips, and end-of-term performances. We will also take time to recognise and celebrate the progress and achievements your children have made this year.

Please keep an eye out for newsletters and updates so you don't miss any key dates or information. As always, we value your continued support in helping your child make the most of these final weeks of the school year.

If you have any questions or concerns, please don't hesitate to get in touch.

Ms Gayle

Year 3 Science Museum Trip

Year 3 pupils embarked on an engaging educational trip to the Science Museum in South Kensington, London. Their day began with exploring the gaming area, where they had the opportunity to interact with games from throughout history. The highlight of the trip was the hands-on experience where they played with retro games. Pupils participated in live science, bringing their classroom learning to life. This immersive visit not only deepened their understanding of scientific concepts but also ignited their curiosity and enthusiasm for the subject.

Playtime

Our pupils have been delighting in the joyful art of ribbon dancing during playtimes. Armed with colourful ribbons, they've been twirling, swirling, and expressing themselves through movement. This engaging activity not only enhances their physical coordination and rhythm but also fosters creativity and self-expression.

Children's Corner

Jahziah was very lucky to be selected to engage with Crystal Palace Football Club's Play on the Pitch. A budding footballer himself, he had a fantastic time playing football and developing his skills!

Dates for the Diary

Week beginning Monday 9th June: Phonics Screening Check- Y1 and Y2 resits
