St Anthony's Catholic Primary School

Headteacher's Message

Dear Parents, Carers and Friends of St Anthony's,

We are delighted to share some of the highlights from another inspiring and successful week at St Anthony's. This week, we were honoured to have some of our pupils—along with our newly elected Head Boy and Head Girl—representing the school with excellence at the Beginning of the Year Mass at St George's Cathedral. The Mass was led by Archbishop John Wilson, and our pupils conducted themselves with the utmost respect and reverence. We are incredibly proud of the way they represented our school community.

Across the school, pupils continue to demonstrate a fantastic attitude to learning. Classrooms are full of curiosity, engagement and determination—it's wonderful to see so many children embracing challenges and showing resilience in their work.

We are pleased to announce our newly elected parent governors: Sian Gossa and Elona Vokri. Congratulations to both! We look forward to working closely with you as we continue to develop and grow our school community. As always, thank you for your continued support.

Warm regards,

Mass at St George's Cathedral

Pupils from St Anthony's had the special opportunity to attend a celebration Mass for the new academic year at St George's Cathedral. Selected students took part in the service by offering prayers, representing the school with reverence and pride. It was a wonderful and meaningful occasion that truly captured the spirit of a loving, nurturing community, setting a hopeful and faith-filled tone for the year ahead.

Year 2- Maths

In Year 2, it was wonderful to see pupils developing strong mathematical foundations by using concrete resources to deepen their understanding of the number system. They engaged in collaborative activities that encouraged discussion and shared thinking. There is a buzz of excitement in the air with all things maths- fantastic to see!
