St Anthony's Catholic Primary School

### Headteacher's Message

Dear Parents and Carers,

As we move through the month of November, we continue to honour and remember all those who have served our country. Last week, the whole school came together to observe a two-minute silence, during which pupils showed great respect and reflection.

It was an exciting and busy week at St Anthony's. We are extremely proud of our Running Club for their fantastic participation in the Bromley Cross-Country competition. Our pupils demonstrated admirable resilience and determination throughout the event.

Last Monday, our local MP, Liam Conlon, invited the St Anthony's Choir, led by Mrs Cope and Miss Wellsted, to perform at an Interfaith Event at St George's Church, Beckenham. The choir's performance was moving, inspiring, and truly a highlight of the academic year so far.

We look forward to welcoming parents this evening and again on Friday for Parents' Evening. If you have not yet signed up to meet your child's class teacher, please contact the school office as soon as possible.

Thank you, as always, for your continued support. Wishing you all a wonderful week ahead.

Warm regards,

Ms Gayle

### **Interfaith Event**

St Anthony's Choir performed 'Sing' by Gary Barlow, beautifully, creating a powerful and uplifting centrepiece for the Interfaith Event hosted by our local MP, Liam Conlon. The heartfelt support from parents and carers added warmth and unity to the occasion. Together with inspiring speeches from leaders of diverse faith communities, the performance helped bring our whole community together in a spirit of harmony and celebration.

Please do check out the highlights which can be found on Liam Conlon's Instagram page here:

### **Transition Program**

Our Year 6 pupils took part in a fantastic Transition Workshop focused on staying safe, gang prevention, and preparing confidently for secondary school. They also recorded an advert for St Anthony's, which will be broadcast on Love Da Beat Radio's Kids Corner this Saturday between 10am and 12 noon.
