St Anthony's Catholic Primary School

Headteacher's Message

Dear Parents and Carers,

As we wrap up another fantastic week at St Anthony's, the countdown is officially on (not for another half-term break but to make sure we are all in school- everyday!): there are only 20 school days left until we break up. Our goal is to achieve 100% attendance, so let's ensure every child is in school every day- we can do it!

It has been a wonderful week of highlights, most notably a visit from Sister Anna. As a devout Catholic who personally knows the family of St Carlo Acutis, she shared intimate stories and authentic religious artefacts with the children. This was a truly special experience that left us all with a sense of awe and wonder at the life of this precious young saint.

We are excited at the offer of FREE Maths and English lessons for pupils in Years 4, 5, and 6 through a 30-week initiative supported by Clarion Housing. This is a fantastic opportunity, so please check the details and sign up today to help your child thrive. This week we celebrate our Year 3 pupils for leading a beautiful Mass this week; remember that a different class will lead Mass every two weeks at St Anthony's Church, and all families are always welcome to join us.

The children are at the heart of all we do- let's continue to work together so that every pupil succeeds every day! Thank you once again for all your support.

Warm regards,

Ms Gayle
