St Anthony's Catholic Primary School

Dear Parents and Carers,

First of all, a huge thank you to those of you who completed the recent parent and carer survey. The feedback was overwhelmingly positive and extremely encouraging for all of our staff. As a school, we remain committed to listening carefully to our families to ensure that all of our pupils thrive. This is also a reminder that my door is always open- if you would like to book a meeting with me at any time, please do not hesitate to contact the school office.

We have had a number of highlights in school this week. Year 2 enjoyed a visit from The Safety Superhero Academy, who delivered an informative yet fun workshop focused on developing pupils' understanding of health and safety in the environment. The session also inspired the children to think about future STEM careers. Pupils particularly enjoyed wearing the safety equipment, and each child was delighted to receive a free book generously gifted by the founder, Bethany Holroyd.

We were also pleased to welcome our Chair of Governors into school for a Maths learning walk. He was impressed by the high levels of pupil engagement, the effective use of manipulatives, and the way children worked collaboratively to tackle mathematical problems.

In addition, our Parent Governor visited the school to learn more about our safeguarding culture. These visits are an important part of ensuring strong governance and continued commitment to keeping our children safe and well.

Thank you, as always, for your continued support. We look forward to another positive and productive week ahead.

Ms Gayle

Fire Engine Visit

Reception had a fantastic time during a visit from our local fire service.

Safety Superhero Workshop

Year 2 learned all about staying safe in different environments and how to spot potential hazards.

PTA Coffee Morning

Thank you to our wonderful PTA for organising a coffee morning on **Wednesday 4th February at 8:50am**. Our local MP- Liam Conlon will be in attendance with some of our local councillors. This is a Drop-in Surgery put on especially for you so please do pop by!
