### Headteacher's Message

Dear Parents and Carers,

As we come to the end of the first half of the summer term, I want to take a moment to reflect on what has been a truly special week in school. There has been so much to celebrate, and I am incredibly proud of our children, our staff, and our wonderful community.

Today we gathered for a very special Crowning of Mary service, a tradition that continues to deepen our shared sense of faith and togetherness. It was a heart-warming occasion, made even more beautiful by the generous donations of flowers and bouquets from our families. Thank you for helping to create such a memorable and meaningful experience for the children.

Yesterday we were treated to a fantastic Year 5 production, Cosmic Mission, where we were transported to outer space through the children's imagination, talent, and enthusiasm. Led brilliantly by Councillor Simon Jeal, the performance was a joy to watch. The children shone in their roles, and their creativity was truly inspiring.

Looking ahead, next half-term promises to be a busy one. We are currently awaiting confirmation for several events, so please do bear with us while we finalise details. Your patience is greatly appreciated as we work to ensure everything runs smoothly.

We are delighted, however, to confirm the date of our **Summer Fair**, which will take place after school on **Friday 3rd July 2026**. If you would like to offer your support with the Summer Fair, please contact the school office. This event is all about the children, and it is a wonderful opportunity for us to come together as a school community to raise funds that will help us continue giving every child at St Anthony's the very best.

As always, I want to express my gratitude for your continued support. You are the most amazing families, and I am incredibly proud of all the children's achievements this term. Their hard work, kindness, and resilience shine through every day.

Wishing you all a restful and enjoyable half-term break.

Kind Regards,  
Ms Gayle
